## Triangle

### Round Table Committee

#### **Description of Round Table Committee:**

The mission of the Round Table Committee is to conceptualize, plan, and produce ULI Triangle's educational member-only round table programs. The goal is to provide a menu of educational topics that are relevant and diverse - from project specific successes and lessons learned to discussions on areas of ULI's policy and practice initiatives.

#### **Specific Tasks for Committee Members:**

- Develop and implement the annual round table plan – with a goal of executing between eight and ten programs/year.
- Develop program content. Provide educational topics that are relevant and diverse from project specific successes and lessons learned to discussions on areas of ULI's policy and practice initiatives.
- Recruit speakers, panelists and moderators as needed.
- Produce program – i.e. handle program logistics with assistance from ULI staff.

#### **Committee Meeting Schedule:**

The Membership committee will meet every other month, or as needed. The membership committee volunteer is a one-year commitment renewable 3 times.
